Accuchex supports the restaurant business!

As Associate members of Restaurant Associations we understand in/out tips, meal values, overtime rules and shift pay; locations and departments; temp workers and flexible assignments; tight budgets and short deadlines. Running a restaurant can be difficult and the last thing you need is a persistent payroll problem.

Accuchex offers you a **6-part written guarantee** for your 100% satisfaction. With our **Time2Pay™** integrated payroll and HR systems you get:

- 5 levels of organizational structure to record departments, locations, and other cost centers for accounting control
- Web-based Time & Attendance for direct time clock data integration
- Automatic calculations of **tips and meals** - by your own formula
- Automatic labor allocation across jobs or departments
- Reporting of gross receipts for tax compliance and tip allocations
- Multiple pay rates per employee, per paycheck to record reassignments of staff to various positions
- Paid Time off calculations & accruals
- Help with City ordinance compliance & insurances
- Union membership and dues deductions
- *and a whole lot more* - **from any Web browser**, at any counter or desk, at **any hour of the day or night**.
